

## TAP DANCING

Great news! We have an experienced dancer who would be willing to lead this group. Now we need some more people to join the few we have already. It is fantastic exercise and great fun!

## PILGRIM'S PROGRESS – Medieval to Modern

There is a growing interest in pilgrimages today. There are many routes used by pilgrims in the UK with the number increasing annually. Guy Vowles has been researching the routes of medieval pilgrims in North Gloucestershire and has made some interesting discoveries. He would like to set up a group, which would first meet to discuss the relevant routes and later go to visit some of them.

It should be fascinating!

## THE MAGIC TRIANGLE

This group would be for anyone interested in practising, discovering and performing magic from beginner to grand master level. You would be expected to have at least some rudimentary conjuring skills but experienced magicians would be very welcome.

## Investment Group

Would anybody be interested in joining an investment group? We already have some interest and there is somebody who has been in a similar group before who would be prepared to help set it up.

It would need to set its own rules for membership and organise itself legally. Guidelines are available to help set up such a group. It would be helpful to have people with both a financial and legal background.

## Out for Lunch

We now have someone who is prepared to lead a second group. There are already a small group of people waiting to join. It would be an excellent way of making new friends.

## **OTHER NEW GROUPS**

### **LATIN FOR BEGINNERS**

If anybody is interested in joining this group please contact  
groups@cheltenhamu3a.org.uk

### **BEGINNERS GREEK**

The current group have moved on to a level which would make it difficult for a complete beginner to join them. We are happy to set up a new group for complete beginners if anyone is interested.

### **ANOTHER BOOK GROUP**

All the existing book groups are full. There is interest in setting up a new group.
